

Already in CSHCS: Transitioning to MHP

Dear Parent(s):

Your child will now be receiving their medical care, treatment and coordination through the <<<Name of MHP>>> Medicaid Health Plan (MHP).

In addition to the mihealth card (green) you have already had, you will be receiving a member card, information and contact from <<<Name of MHP>>>.

Please call the MHP's Member Services Department when you have questions or need help getting medical care. The number is on the health plan ID card. Ask about:

- Medical Care and Treatment
- Equipment and Supplies
- Medications
- Transportation
- Primary insurance or address/phone changes

The <<<Health Department>>> CSHCS is available to share local resources and activities with you and your family.

In <<<County Name>>>, some of the resources and activities you may be interested in include:

- Assessing resources your family may need
- Parent Support Group for Families with a member with Special Needs
- Emails about community events and information
- Children with Special Needs Fund (to apply for help with wheelchair ramps, van lifts, etc)
- Early On <<<County Name>>>
- <<<County Name>>> Health Department Programs (i.e. WIC, Immunizations, Maternal Infant Health Program)
- Transition information for individuals turning 18 or 21(i.e. Guardianship, Adult Home Health Services)

Your local CSHCS office is at the <<<County Name>>> Health Department at <<<Address>>>. The CSHCS staff consists of Representatives; <<<Representative Names>>>, and RNs; <<<RN Names>>> and <<<Coordinator Name>>>. Office hours are from 8:00am to 5:00pm, Monday through Friday. Our main phone number is <<<() - >>>. We do have voicemail.

We look forward to continuing to serve you and your family, along and in coordination with your MHP. Additional information regarding CSHCS can be found through:

- The Family Center for Children and Youth with Special Health Care Needs: A parent-directed section of CSHCS that provides health resources information and emotional support to Michigan families of children with special needs. Contact the Family Center by calling the Family Phone Line at 1-800-359-3722.
